196.020 Jurisdiction

196.100 Description of Tribal Seal

The official tribal seal of the Coquille Indian Tribe shall be designed in a circular composite of cultural items, symbols and a spiritual landmark. The general background is an outline representative of Tupper Rock. On the right is a cedar plank house; a Port Orford Cedar tree stands in the left foreground, superimposed over a basketry border design of triangles which circles from near the top of the tree, above the rock, bisecting a small grove of trees behind the plank house, and curving back to the base of the cedar tree in the left foreground. In a circle outside of the border pattern is the official tribal name; above, "Coquille" is slightly off center and to the right, while below "Indian Tribe" is evenly balanced. In the far background, projecting upward from below the design is a double pronged, barbed head of a fish spear, grafted onto a wooden shaft. A copy of this design is attached and hereby incorporated by reference to this ordinance.

196.150 Record of Description

The description and original copy of the Coquille Tribal seal shall be deposited and kept in the office of the Tribal Council Secretary. It shall remain a tribal record that is available for inspection by tribal members.
